

YACHTS

We have a market leading yacht practice with a dedicated team of yacht lawyers expert in the entire life cycle of yacht law. From new builds to financing to sales, right through to casualty response and insurance coverage. Our microsite www.hfwyachts.com shows our dedication to this market and our expertise.

Recent work

We advise on all insurance issues relating to yachts including:

- Acting for a yacht yard and their liability insurers for a claim under a construction warranty.
- Acting in relation to the crash of a helicopter whilst landing on a yacht.
- Acting for Owners and underwriters following a fire whilst at sea in the Mediterranean.
- Acting for Owners and underwriters following a series of Caribbean total losses as a result of recent extreme weather.
- Acting for the Owners and underwriters of a racing yacht following an LOF and successfully negotiating a prompt settlement of the Article 13 liability.
- Acting for Owners and underwriters in the recovery against a third party following extensive damage to gel coatings during transport.
